

TIM'S WALKING DVDS – 16 November 2011

The collection of racewalking related DVDs and CDs grows bigger by the year and is broken up into 3 parts

- International Race Footage – Olympics, World Champs, IAAF races, etc
- Australian Races/Walking
- Promotional and Training DVDs

Much of the local Australian and Victorian archival material has been compiled by Ray Smith, starting in 2002. Frances Attard has now taken over this important role.

You are most welcome to a copy of any that are not covered by copywrite.
