WALKER OF THE WEEK

Wow, there are so many performances to choose from this week so I have decided to do a joint Walker of the Week Award.

- 22 year old **Dane Bird-Smith** powered through to a huge PB of 1:20:05 in taking 5th place in the latest IAAF Challenge Series event in La Coruna, Spain, on Saturday. Competing against a huge field which included many of the world's top walkers, he went out with the leading pack and hung in there superbly, with splits of 39:36 and 40:29. He easily bettered his previous PB of 1:20:27, set in last year's World Walking Cup, and he must now be considered a serious medal chance in this year's IAAF World Champs in Beijing.
- 12 year old **Corey Dickson** was one of many outstanding walkers at our annual LBG Carnival in Canberra on Sunday but I have singled him out for the depth and quality of his performance. He won the U14 Boys 2km in 9:12 and then took 3rd in the U16 3km in 14:48 and 5th in the U18 5km in 26:09. That is really impressive but it is nothing new for Corey. In this same carnival last year, he competed in 4 events, winning but the U12 2km (9:47), the U14 2km (even faster with 9:27) and coming 11th in both the U16 3km (16:05) and the U18 5km (27:38). Talk about a talent.

WHAT'S COMING UP

Next Saturday we are back at Middle Park for another of our VRWC Prizes Days which will be held in conjunction with our annual 'Guess Your Finish Time' races. It is a straightforward concept - when entering the race, tell the race registrar the time you hope to walk. The results on the day will be determined by closest to predicted time. No watches are to be worn and no intermediate times are called as the race progresses. And as usual, we prefer you to pre-enter during the week (<http://vrwc.org.au/wp1/>) so that we can get all the computers ready before hand.

Saturday 13th June 2015, Middle Park

THE 49TH LAKE BURLEY GRIFFIN CARNIVAL, CANBERRA, SUNDAY 7 JUNE

The 49th Lake Burley Griffin Carnival, held last Sunday in Canberra, was once again a huge show with over 200 walkers from across Australia contesting events ranging from U10 1km through to the Open 20 Mile walk. It was super cold early (-4°C) and foggy but, as the morning progressed, the temperature slowly rose and we had a beautiful sunny winter's afternoon for the shorter events.

The 20 Mile and 10 Mile events started in freezing conditions at 8AM and it was **Quentin Rew** and **Jared Tallent** who strode straight the front, walking side by side for the first 11 miles until Quentin broke free. Jared soon got back into contact and the second lap proceeded with them side by side once again. But it was Quentin who was the stronger over the final hills (it is indeed a very hilly 10 mile loop!) and he cleared away in the final couple of miles to win in a very impressive 2:21:17, denying Jared a 10th win. Jared was not far behind with 2:23:02 and **Ian Rayson** rounded out the first three with a strong 2:27:49.

The 10 Mile events also saw first time winners, with London Olympian **Beki Smith** taking the women's title in 1:15:12 and 17 year old **Adam Garganis** taking the men's title with 1:12:52 ahead of 19 year old 2014 World Junior rep **Nathan Brill** 1:16:32. Very impressive times indeed.

Full results follow. Photos are taken from Terry Swan's VRWC LBG photo gallery at <http://www.vrwc.org.au/coppermine>.

Quentin Rew, Jared Tallent, Adam Garganis, Beki Smith and Nathan Brill

The shorter distance and underage championships commenced at 10:30AM with the U20 10km and continued on throughout the afternoon, eventually finishing with the Open Women's 5km around 3PM. There were fantastic walks across the board so where do you start. I won't try to be definitive but will just pick out a few of the best, apart from Quentin, Jared and Beki who have already been mentioned.

- 16 year old **Kyle Swan** (43:38) and 19 year old **Jay Felton** (44:04) had a battle royale in the U20 10km before Kyle cleared away to tick the box on his World Youth pre-departure qualifier. Kyle then backed up to take 2nd in the U18 5km (23:56).
- 17 year old **Jemima Montag** also ticked the box on her World Youth pre-departure qualifier with a strong win in the U18 Girls 5km (22:52).
- 18 year old **Tayla-Paige Billington** won the U20 Women's 10km in 49:38 after going out hard and matching it with the boys early on.
- 17 year old **Adam Garganis** did a very impressive double, winning the Open 10 Mile (1:12:52) and then completed the U20 10km just over an hour later, finishing 5th in 52:05 for the team.
- 8 year old **Joel Prys** stormed through to win the U10 Boys 1km in 5:06 and then came 5th in the U12 Boys 2km in 11:16.
- 11 year old **Alannah Pitcher** won the U12 Girls 2km in a very impressive 9:42, then backed up for 3rd in the U14 Girls 2km in an almost identical time of 9:47.
- 12 year old **Corey Dickson** won the U14 Boys 2km in 9:12 and then took third in the U16 3km in 14:48 and 5th in the U18 5km in 26:09. That is really impressive!
- Jemma Peart won the U14 Girls 2km in 9:23 and then backed up for 4th in the Open Women's 5km in 26:11.
- 17 year old **Tyler Jones**, another of our 2015 World Youth walkers, won the U18 Boys 5km in 21:58.
- 19 year old **Danielle Walsh** took 2nd in the U20 Women's 10km with 50:36 and then backed up to win the Open Women's 5km with 24:31.

XXIX GRAN PREMIO CANTONES DE LA CORUÑA, LA CORUÑA, SPAIN, SATURDAY 6 JUNE

The final big European international walks meet for the summer took place on Saturday in La Coruna in Spain and a lot was expected, what with the full Chinese squads in attendance along with most of the top European walkers and a fair gathering of walkers from the rest of the world. And, in cool conditions, it all went according to plan with a superb set of 20km walks. My report is copied from Emeterio Valiente IAAF report (see <http://www.iaaf.org/news/report/liu-20km-race-walk-world-record>). See also a great video from the meet at <http://www.thewangconnection.com/el-gp-de-marcha-los-cantones-testigo-de-un-gran-espectaculo-video-resumen-de-la-prueba>.

20km Race Walk Women

China's Liu Hong broke the women's 20km race walk world record with 1:24:38 at the Gran Premio Cantones de Marcha in La Coruna – on Saturday. The former recognised world record was 1:25:02, set by Russia's Yelena Lashmanova when winning at the London 2012 Olympic Games. There had been faster times of 1:24:50 and 1:24:54 by her compatriots Olimpiada Ivanova and Olga Kaniskina that had not been recognised due to not fulfilling world record ratification requirements concerning the number of international judges present. Assuming Liu's record is ratified, the three-time IAAF World Championships medallist rectifies this situation in the record books. From a personal perspective, it was great to see the women's 20km World Record, held by disgraced Russian drugs cheat Yelena Lashmanova, get well and truly beaten by China's Liu Hong.

In almost perfect conditions, close to the sea front of the Atlantic coastal city, Liu covered the first 10 one-kilometre laps in 42:39 before posting a stunning negative split over the second 10km of 41:59. To give an idea of Liu's overwhelming dominance today, and her solid walking style meant that she only received one warning, she lapped all her opponents except for her compatriot Qieyang Shenjie, who finished second more than three minutes in arrears despite clocking a personal best of 1:27:44.

The Chinese star set out from the gun to not only record a hat-trick of victories at the prestigious La Coruna race, after wins in 2012 and 2014 but also had the goal of a personal best and maybe a world record. She set a furious pace right from the start, with 4:17 for the opening lap, then slowed down only slightly to 4:20 for the second and 4:21 for her third circuit; but she then injected a brisker pace in the fourth (4:14) and fifth (4:15) laps which she maintained over the following kilometres to reach the 10km point in 42:39. Liu, perhaps realising that she was a just little outside world record pace and that she would have to speed up if she was to finish inside 1:25, then proceeded to covered several 1km laps between 4:11 and 4:13 to be timed at 1:03:41 at 15km. Her final lap was 4:05 to reduce the world record by the handsome margin of no less than 24 seconds.

Looking ahead to August's IAAF World Championships on home soil in Beijing, Liu will be eager to take an elusive gold medal since she has collected two bronzes in 2009 and 2013, plus a silver medal at the 2011 IAAF World Championships in Daegu.

20km Race Walk Men

The men's race produced another win for China and all the talk would have been of Wang Zhen's victory in an outstanding 1:18:00, with him taking eight seconds off the meeting record, if his thunder had not been stolen by his compatriot Liu. In a year when the 20km race walk world record has already been broken twice, Wang's effort in La Coruna might have been in danger of also being overshadowed by the March feats of Yohann Diniz and then Yusuke Diniz but it was still a superb performance. The visiting Chinese party also took a clean sweep of the men's medals with Wang, the London 2012 Olympic Games bronze medallist, getting the better of the reigning Olympic champion Chen Ding and also Cai Zelin.

Right from the start the Chinese trio dictated a brisk pace, lapping in the range of 3:53-3:56 and only Japan's Isamu Fujisawa, Australia's Dane Bird-Smith and the local star Miguel Ángel Lopez could live with that kind of pace. Shortly after the sixth kilometre, the in-form Wang managed to break away from the rest of the leading group to go through the halfway point in 39:02 while Chen and Cai were 15 seconds in arrears, and the trio of Fujisawa, Bird-Smith and Lopez reached that point in 39:36. The second half witnessed a solo performance by Wang, who strengthened his advantage every 1km lap to build a final winning margin of 44 seconds over Chen, himself a massive one full minute ahead of Cai. The fight for the fourth place went for Lopez, who narrowly beat the Bird-Smith and Fujisawa.

Coached by Italian walking guru Sandro Damilano, Wang remains unbeaten so far in 2015 having set a world-leading time of 38:23.73 for the 10,000m event on the track in addition to a 20km effort of 1:19:29 in Beijing to win China's IAAF World Championships trials.

REGIONAUX DE MARCHE, ARMENTIERES, FRANCE, SUNDAY 7 JUNE

And staying in France, Emmanuel Tardi spent Sunday in Armentières in the north of France (on the border with Belgium) where an inaugural racewalk promotional meet was held. It proved a successful venture with 54 walkers from 3 countries in the various races. The 5000m track walks commenced at 1:30PM with the 10km and 20km road walks starting at 2:50PM. Unfortunately, it was very hot and windy but it did not deter the enthusiastic walkers. After an initial first km on the track, subsequent road laps in the 10km and 20km events were 1km. The women's 20km is won by former international walker Amandine Marcou with 1:43:57 while the men's 20km was won by Brice Sireix with 1:49:07. As for Emmanuel, he finished 9th in the 10km event with 1:15:59. Complete results at <http://bases.athle.com/asp.net/liste.aspx?frmbase=resultats&frmmode=1&frmespace=0&frmcompetition=174683>.

RWNZ 15KM ROADWALK CHAMPIONSHIPS, TARANAKI, NZ, SATURDAY 6 JUNE

Thanks to David Lonsdale for forwarding to me the results from the RWNZ 15km roadwalk championships at Taranaki last Saturday. Overall, 29 walkers from around New Zealand competed for a series of local Cups as well as for the RWNZ 15km Championship.

The Men's 15km Championship saw 18 year old Jared Free (Auckland) eventually clear away for an easy win after battling early with 19 year old Jonathon Lord (originally South Island, now based in Auckland). His time of 1:11:14 was the fastest recorded in this Championship since the event started in 2008. There was a very keenly fought battle for second and third place between Eric Kemsley (Taranaki Race Walking Club), Harry Terwiel (TRWC) and Peter Baillie (Wellington Scottish) with positions changing many times over the 12 laps. Kemsley eventually found the strength to claim second ahead of Baillie with Terwiel further back. In the women's RWNZ 15km Championship, Terri Grimmett of Wellington Scottish had a gun to tape win in 1:38:16 ahead of Sherryn Hardy (TRWC) in her very first time over the distance.

ENFIELD LEAGUE MOULTON OPEN 5 MILES, MOULTON, SUFFOLK, ENGLAND, SATURDAY 6 JUNE

Thanks to Ron Wallwork for the results of the annual Moulton Five meet. He reported:

Olympian Dominic King won the Moulton Five for the third time, seeing off a strong challenge from Moulton villager Callum Wilkinson. Following Wilkinson's outstanding performance in the recent European Cup meeting in Spain, many thought that he would triumph in his fourth outing in this popular race. However, the experienced international, who is also a Centurion, had other ideas and notched up his third victory in the event. Sophie Hales, making a return to the discipline, was an impressive ladies winner, recording the fastest time since 2005. The record field of 70, including eight Guernsey walkers, made the most of the sunny but breezy conditions and 51 walkers bettered the hour, compared to 31 in 2014. Joyce Crawford from nearby Red Lodge, who failed by only 800m to become a Centurion at Southend last autumn won the Suffolk Women's championship ahead of Val Nutley and Rachel Webb, whilst Malcolm Smith and Phil Nutley took the men's place medals behind Callum Wilkinson. Moulton resident Ray Still, a former jockey who underwent a triple by-pass operation last November, although finishing last was delighted to have met his challenge of completing the distance. The EVAC champions were Liz Blakie and Paul Firmage.

AMERICAN CENTURIONS QUALIFIER, MINNEAPOLIS, 6-7 JUNE

Victorian ultra walkers and Australian centurions **Justin and Sharon Scholz** were amongst 5 new American Centurions to be welcomed into the fold last weekend at their annual qualifying event which was held as part of the F.A.N.S. 24 Hour event (see <http://www.fans24hour.org/about-fans.html>). Justin and Sharon were also raising money to contribute to the FANS organisation and invited their friends to give their support in some small way with a pledge amount. All pledges of course were conditional on the successful completion of the 100 miles (161km) in the 24 hour period.

And their trip was a different one to say the least. They completed their final packing before flying out to USA on Monday 4th May for the start of what would be a very challenging 5 weeks. Their ultimate destination was Minneapolis where they would compete in the USA Centurions 24 hour walk event on the weekend of 8-9 June. Why were they leaving so early - in the lead up to this event they intended to cycle from New York to Minneapolis, a distance of 2500km! This very long ride clearly added to the immensity of the 100 miles in 24 hours as they would only have 4 days to recover in Minneapolis before starting their walk.

To cut a long story short, their ride went according to plan and they arrived in Minneapolis right on schedule, donated their used bicycles to charity and dusted off the walking shoes. Their aim was to walk the event together, side by side, as they did in our Centurions event in 2013. Justin quipped in true 'tongue in cheek' fashion: *This approach dramatically reduces the chance of success but also adds immensely to the sense of satisfaction when achieved. Though we have done this once before we do not believe that this attempt in June is a "given" or will come easily.*

Justin and Sharon arrive in Minneapolis and say goodbye to their bikes

And they did just that, negotiating the part sealed and part gravel scenic course around Lake Snelling in Fort Snelling State Park for the full 24 hours. Justin emailed us all late on Sunday evening to give the good news

Shaz and I managed to get the 100 miles walk done here in Minneapolis. It was 26°C Saturday and very high humidity, then a thunderstorm, torrential rain and lightning struck about 1AM. Organisers nearly suspended the race. More than 100m of the course was underwater and no way to walk around the sides, with water up to 20cm deep at one stage. There were major washouts in the unsealed sections and lots of slippery and sticky mud. Challenging to say the least. We walked side by side or line astern the whole way and managed to win the event, just 450m short of the course record. There were 5 walk Centurions in total. Our final tally was about 168.6km.

I haven't seen any results yet but it must have worked out like this

- | | | | |
|----|-----------------|-----------|---|
| 1. | Justin Scholz | Australia | (Australian Centurion C61) |
| 2. | Sharon Scholz | Australia | (Australian Centurion C63) |
| 3. | Jantinus Meints | Holland | (Continental Centurion C388, British Centurion C1101) |
| 4. | Antoine Hunting | Holland | (Continental Centurion C397, British Centurion C1130) |
| 5. | Rob Robertson | USA | |

Well done Justin and Sharon and well done to the other three new American Centurions.

Right: A job well done – relaxing after the event**

PARIS - ALSACE CLASSIC, FRANCE, 3-6 JUNE

The longest ultra walking classic on the calendar was held over 4 days from Wednesday 3rd June to Saturday 6th June in France. This annual event, which has gone from Paris to Colmar in recent years, was changed for 2015 and wound its way from the Paris suburb of Neuilly sur Marne to the Alsace city of Ribeauville, almost on the French German border and in the foothills of the Vosges Mountains.

The classic started on Wednesday evening, with 4 stages, making a total of 426.5km for men and 321.5km for women.

- The first stage, for both men and women was 12km long, from Neuilly-sur-Marne to Torcy Start time Wednesday 18:45
- The second stage for women was 25km long, from Charly to Chateau-Thierry Start time Wednesday 22:00
- The second stage for men was 358km long, between Chateau-Thierry and Epinal Start time Wednesday 22:00
- The third stage was 216km long, between Vitry en Perthois and Epinal Start time Thursday 15:00
- The final stage was 57km long, between Plainfaing and Ribeauville Start time Saturday 9:00

As has been the case in the last few stagings, Hungarian former Olympic walker Zoltan Czukur led for the first 150km before Russian walker Dmitriy Ossipov overtook him, going on to win by over 3 hours in 55:19:04. High temperatures played havoc with the field and, with the heat peaking on Friday at more than 35°C, many of the favourites, including French walkers Remi Bonotte and Emmanuel Lassalle were forced to stop.. Strong rain arrived on Saturday during the last stage but by then the damage was done. Overall, 8 men and 8 women finished the full distance within the required timeframe.

SLOVAK WALKS WEEKEND - BORSKY MIKULAS AND VYSLEDKY

It was a big racewalking weekend in Slovakia with a Saturday meet in Borsky Mikulas and a Sunday meet in Hlohovec. Unfortunately, the weekend saw the first big heatwave for the summer, with temperatures on both days 30°C+ and sunny.

The Saturday meet used to host the Slovak 20km championships but these has since been moved to another part of the season to avoid the heat of full summer. Nowadays the main events are 10km for men and 5km for women. The meet also sees a Junior 4 countries match between the Czech Republic, Slovakia, Hungary and Slovenia and there are additional races for underage walkers and for masters. Full results at <http://atletikasvk.sk/Content/results/2015/6/VYS661.pdf>.

Slovak champion Matej Toth won the men's 10km easily with 39:56, pushing out in the final 1km (3:49) to ensure that he broke the 40 minute barrier. The women's 5km was won by fellow Slovak walker Mária Gáliková with 23:04.
